

KKMI LOW PRICE GUARANTEE

KKMI guarantees you the lowest prices plus 110% Price Protection!

If you find the item in question elsewhere (before or within 30 days of your purchase or invoice date from KKMI) you will be eligible for our 110% price protection program.

Please note: KKMI's Lowest Price Guarantee applies to bottom paint and our current inventory of rigging with a minimum individual price of \$100 per item. This Guarantee does not apply to special orders and labor.

How does your guarantee work?

- The item must be the identical product, including manufacturer, model number etc.
- The price you wish us to match must be verifiable from a retailer on the Internet or through a printed advertisement. The competitor's advertisement must be current. KKMI will only match prices with other authorized marine dealers.
- In addition to matching the lower price, we will add 10% of the difference between the two prices to your refund.

Example

KKMI Product:	\$110.00*
Competitor Price (+S&H):	\$105.00
Difference:	\$5.00
10% Bonus:	<u>\$0.50</u>
Total Refund:	\$5.50

Please submit your Low Price Guarantee Request in writing to the General Manager.

*** Competitors' coupons or promotions for first time or Limited Offer, will be considered non-verifiable and therefore not accepted for the low price guarantee.**

NOTE: Please allow 7-10 business days following your price match request for your refund to be processed. Price matches will not be honored on "Going out of business", "Liquidation Sales" or companies in distress. KKMI reserves the right to deny any price match on an item that is not in stock with a competitor or does not meet the criteria of our Price Match Policy. This offer may be withdrawn without notice.
