

MARINE CARPENTER – DREAM JOB

WHAT IS THE JOB?

KKMI is looking for experienced Marine Carpenters and shipwrights to work at the premier boatyard on San Francisco Bay. We have two locations; Sausalito and Point Richmond and are currently seeking to fill this position in both locations.

KKMI fully respects and appreciates the specialized skills needed for this position and are willing to offer an attractive compensation package for the right person.

WHAT IS THE JOB?

Duties include wood working, composites, caulking and seaming, wooden boat repair, planking, structural and joinery work.

WHO ARE YOU?

You are someone who loves working with wood & repairing structures. You are creative with a strong work ethic. You are not afraid of a challenge and you enjoy troubleshooting and solving problems. Ideally, you have an interest in boating, but that's not a prerequisite. You have a professional and efficient work ethic and a good, team attitude. Woodworking apprenticeship a plus. Perhaps you have been working in construction and want to do something more satisfying. Or maybe you're a freelance carpenter and are tired of being on call for clients 24/7. Most importantly, you can relate to how precious boats are to their owners and would take pride in repairing them properly.

WHO IS KKMI?

KKMI is the premier boatyard on the San Francisco Bay. We have two locations: Sausalito and Point Richmond. Of the many things that are important to us, three things stand out:

1. We are proud to be an integral part of the boating community.
2. We place a huge amount of importance on being industry leaders in promoting best practices as they pertain to Safety, Health and the Environment.
3. We are family run and we treat our team members like family.

WHY KKMI?

Working around boats is, to put it honestly, pretty cool. There is something about participating in crafting, fixing, and improving boats that just feels meaningful. A majority of us understand that concept: some of us caught the bug after we started working here, a lot of us were drawn to the boatyard specifically because of our passion for the sport. We provide a positive work environment, good pay and benefits, great people, and experience doing something you love.
