

KKMI CAREER OPPORTUNITY

BOAT HAUL & LAUNCH TEAM HEAVY EQUIPMENT OPERATORS

WHAT IS THE JOB?

KKMI is looking for someone to join our boat hauling crew. The position involves working with the heavy lift team to haul and launch boats. Typical duties include raising boats out of the water, power-washing bottoms, setting boats up with shoring so repairs can be completed, moving them back to the haulout dock and lowering them back into the water. The position is very physically demanding.

WHO ARE YOU?

You are someone who enjoys physical labor. You work well in a team environment. You have great spatial awareness and a strong work ethic. Certifications for heavy lift equipment operators and crane operators are a plus.

WHO IS KKMI?

KKMI is the premier boatyard on the San Francisco Bay. We have two locations: Sausalito and Point Richmond. We are currently looking to fill this position at both locations. Of the many things that are important to us, three things stand out:

1. We are proud to be an integral part of the boating community.
2. We place a huge amount of importance on being industry leaders in promoting best practices as they pertain to Safety, Health and the Environment.
3. We are family run and we treat our team members like family.

WHY KKMI?

Working around boats is, to put it honestly, pretty cool. There is something about participating in crafting, fixing, and improving boats that just feels meaningful. A majority of us understand that concept: some of us caught the bug after we started working here, a lot of us were drawn to the boatyard specifically because of our passion for the sport. We provide a positive work environment, good pay and benefits, great people, and experience doing something you love.
