

KKMI CAREER OPPORTUNITY

BOAT REPAIR TECHNICIANS

WHAT IS THE JOB?

KKMI is looking for skilled boat technicians who know their way around plumbing systems, electrical systems, rigging, carpentry and painting. We have several positions available, you can either be skilled in one particular field, or you're a "Jack of all trades" for everything boat. This is very physical work with highly rewarding results.

WHO ARE YOU?

You are someone who loves tinkering with and being around boats. You share people's affection for boats and therefore understand the importance of fixing them properly. You are a troubleshooter and a problem solver. You don't mind getting your hands dirty and working hard. You take pride in a job well done.

WHO IS KKMI?

KKMI is the premier boatyard on the San Francisco Bay. We have two locations: Sausalito and Point Richmond. Of the many things that are important to us, three things stand out:

1. We are proud to be an integral part of the boating community.
2. We place a huge amount of importance on being industry leaders in promoting best practices as they pertain to Safety, Health and the Environment.
3. We are family run and we treat our team members like family.

WHY KKMI?

Working around boats is, to put it honestly, pretty cool. There is something about participating in crafting, fixing, and improving boats that just feels meaningful. A majority of us understand that concept: some of us caught the bug after we started working here, a lot of us were drawn to the boatyard specifically because of our passion for the sport. We provide a positive work environment, good pay and benefits, great people, and experience doing something you love.
