

KKMI CAREER OPPORTUNITY

PROJECT MANAGER

KKMI respects and appreciates the specialized skills needed for our industry. Accordingly, we offer an attractive and comprehensive compensation package.

WHAT IS THE JOB?

Managing all facets of boat repair including, defining safe and highest quality repair procedures, estimating, and managing repair technicians while making sure the customer's service expectations are achieved.

While this job can be somewhat demanding, it also offers someone with a passion for nautical things a highly fulfilling and rewarding work environment. KKMI's project managers thrive in helping people care for their boats. They also place a high value on teamwork and forging lasting relationships with KKMI's clients and coworkers.

WHO ARE YOU?

You have a solid understanding of boats, both operating and repairing them. You have managed a team before. Your super power is easily establishing rapport with clients and coworkers and you have excellent communication skills. You can cope with multiple demands and deliver great customer service. Our model candidate will have a minimum of several years of experience within the marine industry, having worked in a boatyard before would be ideal.

You are adept at the following:

- Keen understanding of boat repair & maintenance.
- Ability to professionally communicate effectively with repair technicians.
- Multi tasking and time management are key.
- Ability to communicate with customers about projects in writing and in person.
- Climbing on, in, and under as well as getting on and off of boats.

WHO IS KKMI?

KKMI is the premier boatyard on the San Francisco Bay. We have two locations: Sausalito and Point Richmond. Of the many things that are important to us, three things stand out:

1. We are proud to be an integral part of the boating community.
2. We place a huge amount of importance on being industry leaders in promoting best practices as they pertain to Safety, Health and the Environment.
3. We are family run and we treat our team members like family.

WHY KKMI?

Working around boats is, to put it honestly, pretty cool. There is something about participating in crafting, fixing, and improving boats that just feels meaningful. A majority of us understand that concept: some of us caught the bug after we started working here, a lot of us were drawn to the boatyard specifically because of our passion for the sport. We provide a positive work environment, good pay and benefits, great people, and experience doing something you love.
