

## BOATYARD HANDYMAN

### WHAT IS THE JOB?

Works with Project Managers, office team and marine repair technicians to maintain 5 acres of boatyard property and docks.

### WHO ARE YOU?

Candidates have experience being responsible for facility's maintenance and upkeep. Competency with general mechanical, carpentry and systems troubleshooting. Comfortable with painting and repairs of buildings and property assets.

Individuals who have a working knowledge of boats or other marine experience is very beneficial. Potential for caretakers who live aboard their boats to have berthing opportunities on site.

### WHO IS KKMI?

KKMI is the premier boatyard on the San Francisco Bay. We have two locations: Sausalito and Point Richmond. We are currently looking to fill this position at both of our locations. Of the many things that are important to us, three things stand out:

1. We are proud to be an integral part of the boating community.
2. We place a huge amount of importance on being industry leaders in promoting best practices as they pertain to Safety, Health and the Environment.
3. We are family run and we treat our team members like family.

### WHY KKMI?

Working around boats is, to put it honestly, pretty cool. There is something about participating in crafting, fixing, and improving boats that just feels meaningful. A majority of us understand that concept: some of us caught the bug after we started working here, a lot of us were drawn to the boatyard specifically because of our passion for the sport. We provide a positive work environment, good pay and benefits, great people, and experience doing something you love.
